INTRODUCTION

About your Personal Reading

This reading was composed for you personally, Carl Gustav, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Carl Gustav, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Carl Gustav, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Carl Gustav, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality

Chart!

Your Life Path is 18/9

Carl Gustav, you are the philanthropist, humanitarian, socially conscious, and are deeply concerned about the state of the world. You have great compassion and idealism. You are a utopian, and will spend your life trying to realize some aspect of your utopian dream, sacrificing money, time, and energy for a better world. It is in giving that you will find much satisfaction.

You have a broad outlook on life. You tend to see the big picture, rather than the minute details. You naturally attract people from all walks of life who can fit into your larger plans and take over the areas you find uninteresting. The person with a 9 Life Path is rarely prejudiced or accepts social biases of people. Instead, they evaluate people on the basis of what they can do for the larger cause. They are the true egalitarian.

Carl Gustav, you are imaginative and creative, especially at harmoniously arranging the beauty already potential in the environment. These abilities can lead you into such fields as interior decorating, landscape art, and photography. But because of your strong social consciousness, you can be an effective politician, lawyer, judge, minister, teacher, healer, and environmentalist. Vocations that require self- sacrifice and have a clear social impact are common among 9s.

You are often disappointed by the realities of life: the shortcomings of others, or of yourself. Somehow, you don't want to accept the imperfections of the world, a feeling that drives you constantly to try to improve upon it. But rather than be satisfied with your efforts, and those of others, you relentlessly push on, striving for greater accomplishments. You are often unsatisfied with the results. In short, you lack the perspective that would otherwise make it possible for you to enjoy life more fully, and accept its natural limitations.

You have a controlled enthusiasm and the ability to finish what you start.

A key to your personality is the necessity of sacrifice. You have to learn to let go of material possessions and relationships, the inherent lesson being that holding on too tightly to anything causes pain.

Money comes to you through mysterious or unexpected ways: inheritance; the benevolence of someone who was inspired by your work; or a lucky investment.

Conversely, if you pursue money for its own sake, after giving up on your larger dreams, you're likely to find yourself empty handed.

The most successful and satisfying road for a nine is giving; sharing and sacrificing for a larger goal, without expecting anything in return. Carl Gustav, your greatest chance at success is to tie your personal fortunes to an endeavor that makes the world a better place for others. Very often, this turns into a highly successful and lucrative enterprise, providing amply for you and your family. Your life rests on the axiom that the more you give, the bigger your reward.

You are romantic, but your love is more impersonal. You tend to be focused on your dreams.

When you are not in harmony with your true nature, you can fall to moodiness, or become aloof, and withdrawn. You can become timid, uncertain, and ungrateful, putting the blame for your troubles on others or the world. You have a gift for examining your life objectively, and at some distance. Be honest with yourself. By openly facing your shortcomings, as well as your strengths, you develop equilibrium. You are thus able to love and better understand yourself and all of life.

BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

Your Birthday is 26

Carl Gustav, you have a good sense of money and a talent for business. Your approach to business is original, creative and daring. You possess sound judgment and need to be in charge of whatever you are doing. You are a good manager and organizer. You have a gift for seeing the larger view, but may neglect the details. You are efficient and can handle large projects, enterprises, or businesses.

You are a realist, self-confident, practical, and highly ambitious. Your challenge is to maintain a balance between your material goals and the fundamental human qualities of understanding, compassion and love. Your business life can cause you to become callous and jaded toward others. Do not let the dog-eat-dog attitude become your only means of looking at life. All people have talents and karmic burdens -- maintain gratitude for all that you have been given, and share it with others to the extent that you are able.

You can be very diplomatic and tactful. You prefer to get things done by persuasion rather than force.

You are dependable and have high expectations of yourself.

Carl Gustav, you have a need for status and may show off the fruits of your labor with an impressive car or house. You can easily overdo such ostentation, and may appear showy in the eyes of others.

You are proud of all you possess. You like to be complemented.

You have strong character, but may be domineering and bossy. You have little patience with weakness, be it your own or someone else's. Carl Gustav, you have to be careful not to be discouraged too easily. Life will test your resolve and your willingness to get up off the floor after being knocked down. But you possess the strength and courage to succeed over any difficulty. You do not express your feelings much. It is hard for you to give up the past.

You are generous and willing to help in a crisis. You can be philanthropic and a pillar of your community.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Your Expression is 23/5

Carl Gustav, you are a free spirit. You love change, adventure, and excitement. You love your freedom. Like a bird that needs its wings to live, you cannot exist without it. Freedom is the nucleus around which your life revolves. You need it for your very survival. By using freedom properly, you are able to explore and develop all of your varied talents. You will meet many types of people and travel great distances. Freedom is the atmosphere necessary for you to bring forth your many talents.

You are capable of doing almost anything, and probably quite well. Only by avoiding the imprisonment of illusory security are you able to bring forth your abilities.

Carl Gustav, you are unusually adaptable. In fact, change is a blessing for you. In the same way, you need challenge and variety. You hate the routine of life; being stuck is a catastrophe for you. You become miserable when you are held back or held down.

The taste and texture and color of life have an overpowering allure for you. From childhood, you dream of seeing foreign lands, experiencing the sensual and the exotic. You want to try everything at least once in life. All of life is a playground for your senses.

But this can get you into trouble. You may fail to respect your natural limits, either biologically or socially. Any sort of boundary is anathema to you, which can blind you to your natural limits, and may cause you to overindulge your desire for food, sweets, alcohol, sex, and drugs.

Carl Gustav, you are gifted in your ability to communicate. Your facility with words is almost limitless. You can be a salesman, politician, lawyer, public relations person, and minister. You also possess the talent to share and advance new ideas. You are talented with your hands. You love the new and untried. Your field is the frontier. You are a bit of a gambler, and often play for very high stakes. All of this combines to give you a youthful enthusiasm, which others find infectious and attractive.

You like to work with others, but need to perform your task un-encumbered by the restraints of others.

Carl Gustav, you are a clever and a quick thinker, but your thought processes -- like your life in general -- can be unorganized and scattered. You must stay grounded and focused if you want to be successful.

You fall in and out of love frequently, especially early in life. You are naturally sensual and commonly have a strong sex drive. These characteristics usually make for a lively and exciting love life, but you must guard against shallow feelings and relationships. Your challenge is to develop mature and lasting relationships.

Self-discipline and setting healthy limits is the key to your success in virtually every area of your life. Ironically, you will find that as you learn to set appropriate limits on yourself, you will develop more self-mastery and realize even greater freedom.

This is especially true when it comes to finishing what you start. Your tendency is to give up once you've got a project or job under control; you grow bored quickly. You start to fantasize about a new challenge, or the rewards of your great accomplishment, long before the work is finished.

The 5 Expression desires the whole world. You are aware that you have many talents that can bring much success. But that success depends on your willingness to choose certain areas to concentrate on, and to bring them to perfection.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is 8

Carl Gustav, you want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards.

You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Carl Gustav, your task in life is to learn to use power in refined and elevated ways. The expression and use of power is directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and

problem-solving.

You need to cultivate your ability to evaluate others.

It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old cliché, "Idle hands are the devil's workshop." Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love.

Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

Carl Gustav, you need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Your Personality is 15/6

Carl Gustav, you radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who are in need of comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence.

You have a fine sense of justice. You do everything in your power to keep the

harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You also can become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.)

You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste.

Carl Gustav, you are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

MATURITY

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

Your Maturity is 14/5

There is no slowing you down as you enter maturity. Carl Gustav, your influence grows as you become more dynamic and versatile. You now begin to realize your lifelong goal of freedom.

There will be travel and adventure, exciting and unexpected events. Your originality, creativity, and verbal abilities grow stronger.

You will become interested in areas you never before considered. You may have a tendency to become restless and impatient. You may quickly lose interest or become bored with projects that progress slowly. Perseverance is tested, especially because you may find it easy to abandon things that no longer hold your interest. You will have to work to maintain your concentration, discipline, and focus. Do not scatter your energy over to many interests.

This is especially the case with people who have several 5s in their chart, especially among the core numbers.

For those with few fives, the increasing ability to adapt to change and the willingness to take risks provides much spice to life.

L/E BRIDGE

The Bridge numbers in your chart are the numbers that indicate how you can make the relationship between the individual core numbers in your chart easier and more compatible. Bridge numbers have the potential to "close the gap" between the Life Path and Expression number, or the Heart's Desire and Personality number.

In this chapter we will explain what you can do to make your talents, strengths, and specific abilities (Expression number) more easily available and fitting the needs of your main lesson(s), and expected direction of growth (Life Path).

Your Life Path / Expression Bridge number is 4

Avoid procrastination, Carl Gustav. Try to be more reliable and punctual. Be practical, methodical, and systematic in your endeavors. Keep track of details; avoid chaos. Work on the basics of life. Physical and outdoor activities bring you closer to yourself, so get out in nature, work in the garden, or build a fence.

H/P BRIDGE

Several Bridge numbers can be found in your chart. The Bridge number between the Life Path number and the Expression number was described earlier in your reading. The following Bridge number relates to your Heart's Desire number and your Personality number. This Bridge number, the Heart's Desire - Personality bridge, explains how you can make your deeper self -- your needs and desires, your true nature -- more aligned with the part of your personality

others tend to recognize when they meet you. With a little exaggeration, you could say that your Personality number is somewhat like your mask. It is the more superficial you; a protective shield and a camouflage of the deeper you. You can easily imagine how much more comfortable, and less self-conscious, the experience of life becomes when your deeper and more real you is closer and more fitting to the personality you reveal on a day to day basis.

Your Heart's Desire / Personality Bridge number is 2

Be more sensitive to the needs and expectations of others. Do not rock the boat too often, but keep the peace and try to make things run smoothly. You have to use your ability to influence others with gentle diplomacy, instead of confrontations. Be more cooperative.

KARMIC LESSONS

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

You have a Karmic Lesson 6

Carl Gustav, you have a major issue with commitment and responsibility to others.

You have a hard time committing to marriage and other important personal relationships. You have to learn to show true emotion.

You may feel isolated and alone, but do not understand why. The reason is that very often you form relationships yet remain heavily guarded, putting up a show of emotion without truly communicating affection or care. This can make the bond between you and others superficial. You must learn to establish sincere relationships.

Carl Gustav, you will learn the importance of close friends and lasting relationships. You will learn to give and, when necessary, sacrifice. This is the one true way to true friendship and lasting love.

The effects of this Karmic Lesson are diminished if you have at least one 6 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

You have a Karmic Lesson 8

Carl Gustav, you can attract a considerable amount of money and even be a good business person, but you experience major ups and downs in your financial affairs, due largely to your lack of caution in handling your resources.

You are highly independent and do not want to be told how to do things. You have great problems with authority figures. This stems from a kind of know-it-all attitude and stubborn behavior that prevents you from knowing your limits.

You will have to work at knowing how to handle money. In all likelihood, you will attract enough of it, but it has a tendency to slip through your fingers. This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

Learn to be efficient.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

HIDDEN PASSION

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

Your Hidden Passion is 1

Carl Gustav, you have a strong drive to stand out. You have a great ambition and desire to accomplish. You are highly competitive and want to be the best and the first in everything you do. You are highly energetic and creative. You are

capable of influencing and even dominating others. You have highly developed political skills, and can succumb to manipulation unless your ideals are high.

Ironically, there are times when you lack confidence, especially at an earlier age, but you have the strength to overcome this obstacle.

Carl Gustav, you are a survivor, a warrior, a leader. Many great athletes and politicians have this number as a Hidden Passion.

Your Hidden Passion is 3

Carl Gustav, you are highly social and have a gift for self-expression. You love to entertain and attend parties. You are exceedingly popular, and a good friend.

You are highly talented in one or more of the arts -- writing, acting, music, or painting.

You need excitement. When things are dull, you tend to fantasize and sometimes exaggerate.

You are very inspiring and motivating to others. You are blessed with a considerable amount of charm and charisma. You are highly optimistic, which can make you a bit of a rolling stone. You think that the grass is always going to be greener on the other side of the hill.

Carl Gustav, you need discipline and focus to make the most of your talents. You can fall victim to scattering your energies. You have to guard against being selfish and indulging in too much sensory gratification.

PLANES OF EXPRESSION

Each of us experiences life on four different levels: with our physical body; our mental faculty; our emotional makeup; and our intuition. Each of these areas has a specific means of perceiving information. The physical body is capable of touch, taste, pleasure, and pain. It provides us with a sense of the physical world. The mental body, like the emotional and intuitive natures, perceives the invisible worlds. Our minds deal with the world of thought. The heart, of course, is preoccupied exclusively with the world of emotion. Our feelings teach us many things about ourselves and about others. Finally, we have the capacity for direct contact with the higher realms by way of intuition. Intuitive insight comes in a flash. It is not rational -- that is the world of the mental plane -- but comes as if it were placed at the doorstep of our minds. Intuition, therefore, bypasses all effort.

These four faculties exist in all of us. But each of us depends more on one or two of them for the bulk of our knowledge. Some of us are possessed by our senses, while others live almost exclusively in our hearts, or minds.

Numerology indicates how we as individuals function on each plane.

The letters of the alphabet are divided in four categories: physical, mental, emotional and intuitive.

The proportion of each category in your name gives a good indication of which Planes of Expression are strongest in you, and which ones are weaker.

These Planes of Expression can greatly help you to understand your talents and abilities.

PLANE OF EXPRESSION MENTAL

Your Plane of Expression Mental is 16/7

Carl Gustav, you have a studious and scholarly mind. You may have a genius for one particular field of study. You study a subject in depth, and abhor a superficial understanding of anything you regard as important.

You analyze things down to the infinitesimal particles. You want to know the inner workings of things. What makes them tick. You may be too occupied with your thoughts and have a tendency to withdraw, especially when you are emotionally troubled.

You can be extremely critical of yourself and others. You analyze personalities with an eye toward finding out their secrets and faults. Your mind can look too much on the dark side of things, as if that were the more fundamental part of a human. Your challenge is to use your fine mind constructively, and to attain faith.

You have excellent intuition, which serves you well in life.

PLANE OF EXPRESSION EMOTIONAL

Your Plane of Expression Emotional is 12/3

Carl Gustav, you are very romantic. You are highly creative and imaginative.

You fantasize about your perfect "other": a White Knight on a horse, or a beautiful princess. Your response to painful emotional situations -- especially in childhood -- was to create a fantasy world to which you escaped. You may still be doing that as an adult, perhaps to your detriment. Reality lacks the romance and excitement of your fantasies.

Carl Gustav, you can be disorderly and disorganized, however. You can be rather moody.

You likely have much artistic talent, especially in writing, acting, or singing.

PLANE OF EXPRESSION INTUITIVE

Your Plane of Expression Intuitive is 13/4

Carl Gustav, you are traditional and like established procedures. You do not

feel comfortable with abstract and unproven ideas. You prefer your ideas to be practical and usable. Your religious beliefs tend to be conventional.

BALANCE

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

Your Balance is 2

Use tact and diplomacy, Carl Gustav. Be less emotional. Be courageous in your approach to the solution you seek, rather than backing away from problem because you fear confrontation. Work hard to diffuse tension; your innate talent is to find a mutually satisfying solution to all. You are willing to compromise.

Be more optimistic and lighthearted. Carl Gustav, try not to blow problems out of proportion. You are overly sensitive and have to work to be more balanced.

Balance and harmony are there for you the minute you apply yourself to any problem. Carl Gustav, you can be the peacemaker.

RATIONAL THOUGHT

Your Rational Thought number reveals what can probably best be described as the way you think. Are you a practical, methodical thinker, or a dreamer? Do you frequently allow your imagination to color your perception? Are you unconventional and original in the face of a practical problem, or do you stick to proven methods?

This is the kind of information revealed through your Rational Thought number.

Your Rational Thought is 42/6

Carl Gustav, you are a listener, and you tend to relate everything to the effect it has on others.

You notice things that escape others, but when you try to find solutions, you often focus on details, forgetting the larger picture. Justice is a major factor in

your thinking, many people in the legal field have this number.

When it comes to approaching a project or a problem that requires insight into the hearts and minds of children, very old people, or anyone who is disadvantaged in body or spirit, you have few equals. You are a natural defender of those who can not defend themselves. Depending on the core-numbers of your chart, you may want to consider a career in the legal field, or in the areas of teaching and healing.

CORNERSTONE

Carl Gustav, you can appear indifferent to your surroundings and somewhat aloof. You are well-balanced and can survive many a stormy time. In time of trial, you withdraw within yourself finding solace and answers, in your creative and analytical mind. You may be a bit of a loner and do not easily share your feelings with others.

CHALLENGES

Each of us is born with both strengths and weaknesses. Numerology looks at life as if it were an educational process that is meant to bring out and enhance our talents, and turn our weaknesses into strengths. This serves to complete our

being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

THE FIRST CHALLENGE

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

Your First Challenge is 1

You must learn to be independent. Carl Gustav, you will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual. This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts.

Carl Gustav, you will learn your own set of values; you will develop into an individual with original and innovative ideas.

If you have 1s in your core numbers or in your Hidden Passion this challenge will not be as difficult to learn, or as strongly felt.

THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

Your Second Challenge is 5

Carl Gustav, you are in danger of becoming a rolling stone. Your desire to experience and enjoy life can overwhelm every other priority you have. Your need for freedom dominates you. You want to try everything and go everywhere.

You must guard against overindulgence -- and even dependence upon -- alcohol, food, drugs, and sex.

You must work at establishing and maintaining long- lasting relationships. Be tolerant and understanding. This will enable you to have people in your life who are more than mere company.

Carl Gustav, you need to discipline your urge to change every situation that does not immediately suit you. Stick with projects, maintain your friendships, don't abandon people or situations the minute they become the slightest bit difficult.

If few fives are in the chart you have a fear of change and can not let go of people and situations. This holds you in the past, restricting your growth. Learn to take prudent risks and be more adventurous.

THIRD CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

Your Third Challenge is 4

You tend to be disorderly and disorganized. Carl Gustav, you are impractical and tend to fantasize about projects or possibilities that have little value or future.

You must learn to discriminate between iron balloons and those that will fly.

You have difficulty finishing projects because your vision becomes chaotic and loses track of the path ahead.

You have to learn to be aware of the details. Keep your environment clean and orderly. Be efficient.

You have the ability to be practical and organized but you must learn their value. This will cause you to incorporate them into your daily life and give you the basis for success.

This is the challenge of building a lasting foundation for your life. Carl Gustav, you will need perseverance and repeated effort. Get-rich-quick schemes will likely backfire; persistent effort is the key to your future happiness.

THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

Your Fourth Challenge is 4

(This Challenge is the same as the Third, as described above.)

PINNACLES

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years. The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number.

The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. Carl Gustav, you will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

Your First Pinnacle (from birth until age 27) is 6

Under this Pinnacle you will be very involved with family, friends, and your community. Carl Gustav, you will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well.

Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. Carl Gustav, you must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized.

Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world.

You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Carl Gustav, your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas.

Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits.

Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong, or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

Your Second Pinnacle (from age 28 until age 36) is 11

This is a challenging period in which you are at a high point of sensitivity and intuition. There is so much going on in your psyche that you can suffer much confusion over direction and identity. On the other hand, there is a wide open channel between the personal consciousness and the higher realms of the

unconscious. Carl Gustav, you are constantly being inspired and even assaulted by information and insight.

Because of the intensity of these revelations, you must learn to ground your life in faith and a practical vocation that keeps your feet on the ground everyday.

This is a period of enormous spiritual and personal growth. You will come out of it with a highly uncommon clarity and understanding of life. At the same time, it is a period of enormous demands, emotionally and spiritually. Any attachment you might have to specific identity traits -- who you think you are and why you are here, for example -- is constantly challenged.

There is a desire to settle into some field or way of life to attain stability, but the energy of this Pinnacle is not allowing it. It is as if there is a destination, or destiny, to which you are being driven. You do not feel in control of this process. Instead, you are acutely aware of the forces that are shaping your life. You must surrender to them.

Meanwhile, you experience the emotional turmoil that can come with this highly charged period.

There is a definite, even compelling, sense of being different. You are aware of a feeling of receiving special attention from spiritual forces. Your perception of life is somehow more acute than others; you see more clearly and more spiritually due to your high degree of sensitivity. It is as if you have a perfectly accurate peripheral vision, in which everything stands out in sharp relief. At times you may feel that you can see into the souls of things.

At the same time, you may feel like a foreigner to the earth. You are completely impractical. Sometimes you may feel that you do not understand the workings of the physical world. Practical things escape you. You feel awkward and clumsy at times, and are aware perhaps how fluidly other lives are going. This increases your sense of being an outsider.

Carl Gustav, more important than all the awkwardness and feelings of being different is the overwhelming sense of having a purpose or a message to reveal that will make other people's lives happier, healthier, and more at peace. You want desperately to bring this out.

The challenge of the 11 Pinnacle is to remain grounded and attached to this dream. You must find practical and useful ways to be of service to others, at the same time developing yourself so that one day you may be able to bring forth that which is within you.

The influences of this period make you highly creative, innovative, and inventive. You have a completely unconventional approach to problems. Trust your intuition, seek harmonious settings to restore your sense of inner peace, and work hard to keep your feet on the ground. This period will bring great rewards on all levels, and with perseverance you will find your rightful place.

Your Third Pinnacle (from age 37 until age 45) is 8

Carl Gustav, under the influences of this Pinnacle, you will have greatly enhanced talent for dealing successfully with business and finances. This is a time of material growth, a time of expansion and reward. It is the cycle of harvest.

The 8 Pinnacle also increases your personal power. You have sound judgment and vision. In fact, this is the basis of your financial success.

People sense your power and effectiveness. They defer to you much more easily, and look to you for answers. This makes it easier for you to use power without having to be a bully or force your way through situations. They perceive your ability and want to join you in your vision. Others have faith in you.

You will be able to organize large enterprises. Problems do not threaten you so much as provide a challenge. You yourself sense your enhanced personal powers and feel a growing sense of stability and centeredness. You will be capable of influencing matter in an almost magical way. As a result, you are extremely goal oriented, moving toward the realization of your dreams with confidence and clarity.

Carl Gustav, your challenge during this period is to maintain a hold on your human and spiritual values. You must remain balanced between heaven and earth. There will be enormous temptations to make money and status your only priorities, excluding the more human or immaterial matters entirely. This will undoubtedly lead to losses. You are being tested and instructed in the real value of money -- it's natural place in life. If money is placed on a high altar, overshadowing all other facets of life, you will become its slave.

If you are balanced in your approach to money, and have proper perspective, this can be a truly rewarding period, both materially and spiritually. That is the true promise of the 8.

The number 8 symbolizes the balance between the finite and infinite, matter and spirit. It offers a great opportunity to grow.

Your Fourth Pinnacle (from age 46) is 1

Carl Gustav, this is a period requiring much independence, courage, resiliency, and initiative. You must bounce back after many difficult experiences. The challenge of this Pinnacle is to gain will power.

There is not a lot of support from others or from family. You must draw from your own strength. You will have to guard against self pity or surrender.

Keep focused on your dreams. This Pinnacle will require an iron will to keep hold of your goals, and also the flexibility to maneuver around difficulties, and bend with the winds of adversity.

This is a period of rapid self-improvement and growth. You will be forced to use every talent and capability you possess. You will need to be resourceful.

Carl Gustav, you must continually put out effort, but with it comes great reward.

Without it, there is no accomplishment nor satisfaction, only a negative attitude toward life.

Be careful not to become too self centered, headstrong or self important. Be strong but flexible. Be open to the counsel of others, but make up your own mind.

The benefit of this Pinnacle number is a strong sense of your individuality and strength. You will know what you are made of. There are many hidden gifts in this period, perhaps the greatest of which is faith.

Your Pinnacle provides you with the characteristics of leadership, boldness, and daring. You will have many unconventional ideas and the skill and courage to make them a reality. Your abilities to manage and organize people and institutions are greatly enhanced. You have vision and confidence in the worth of your dreams.

These characteristics provide great opportunity for success and major accomplishments.

CYCLES

Like most stories, there are three great divisions of our lives: the First, or opening period, finds us groping to find our true nature; at the same time, we are trying to cope with the powerful forces that are present in our environment, our parents and the socio-economic conditions of our family, for example. The Second Cycle, or middle period of our lives, brings about the slow emergence of our individual and creative talents. The initial part of this cycle -- the early and mid 30s -- represents a struggle to find our place in the world, while the late 30s, 40s, and early 50s, sees us with a greater degree of self-mastery and influence over the environment. The Third, or final Cycle, can represent a flowering of our inner being, such that our true nature has finally come to fruition. It is during this period that one has the greatest degree of self-expression and power.

Your First Cycle (from birth until age 27) is 7

A time to specialize, a time to think deeply and contemplate the deeper questions of life. Study a subject you enjoy in depth. Carl Gustav, you are attracted to the fields of science, technology, philosophy, and metaphysics. Become an expert in a specific area. You have excellent intuition and a mind that can penetrate beneath the surface of any subject you commit to. Focus your energies and thoughts. This is a period of inner development. Meditation, contemplation, and self-reflection are means of inner enrichment. Develop wisdom. Relationship may seem burdensome at times because of the desire to spend time alone. There is some resistance to sharing your deeper feelings with others. The inner life is so compelling that you will want to immerse yourself in it. Share the knowledge you accumulate by teaching, counseling, or simply talking to

others.

Your Second Cycle (from age 28 until age 54) is 8

You are under an extremely benevolent period for work, career, and financial reward. The key is hard work and the willingness to again dedicate yourself after setbacks or difficulties. Carl Gustav, you will have greatly enhanced abilities as a manager, organizer, and financial planner. You have a gift for seeing the broad picture and carrying out bold plans. You can gain financial freedom during this period. Business and career activities go well, but require much attention and commitment. You are being pushed to take control of your career or enterprise and bring it to new heights. It is a time when power falls to you, but must be used wisely and with purpose.

Your Third and last Cycle (from age 55) is 3

A time of heightened self expression and much social support. Any ability you possess in the arts, especially in writing, acting, or dance, will be brought to new heights and meet with much reward. Carl Gustav, you are socially active as never before. You will appear to others as charming, attractive, and even charismatic. Be careful not to waste your energies on too many superficial projects or relationships, however. The time requires discipline and focus in order to make the most of the great upward energy that is filling your life.
